

Kingsport Public Library's

Teen Summer Reading Program

HOW IT ALL WORKS:

Register online through the library website:

www.kingsportlibrary.org

You can do this at home or at the library. Staff will be happy
to assist you.

Keep track of the books you read between

June 5th and July 28th

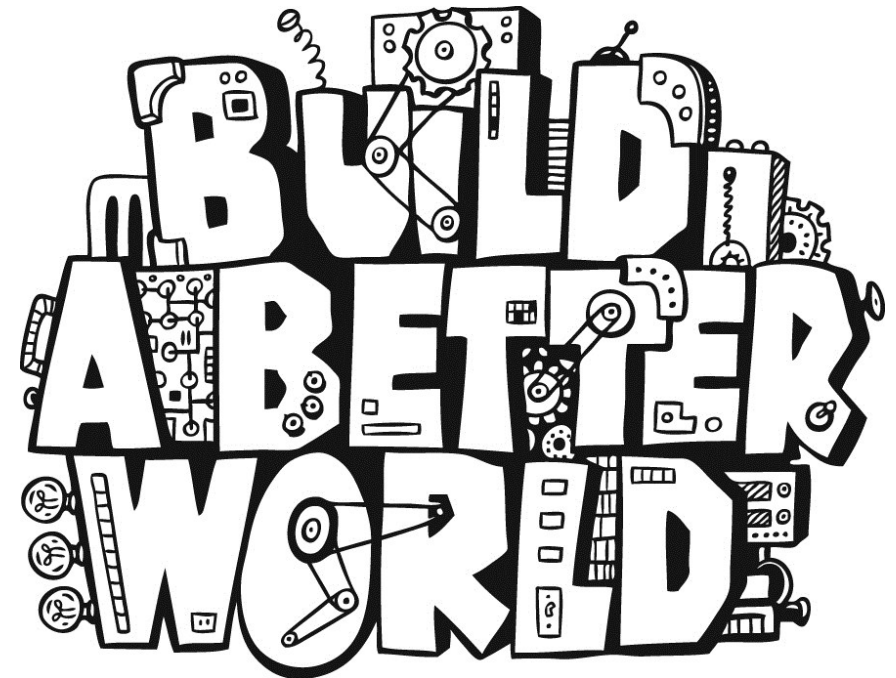

You can do this by going online to your reading record and recording the amount of time you read each week. Be sure to log the minutes you've read by 5:00pm on Fridays to be eligible for that week's drawing. You will have an entry in the drawing for every hour you read. Earn an extra entry by submitting a book review online through the SRP website.

Attend Programs

You will earn a grand prize entry for every teen program you attend. The more you participate, the better your chances to win!
